## LOSE SLEEP

*Shot of BUYER alone couch*

BUYER                      I can't sleep because all I'm thinking about is my mortgage process. I wish I had someone to talk to!

*Shot of ACTION in corner*

ACTION                    I'm available day or night to answer your questions.

BUYER                    Wow, that's such a relief! But when do you sleep?

ACTION                    In 15 minute increments.

BUYER                    You're so selfless! But don't neglect- Action?

*Shot of corner, ACTION is nowhere to be found.*

*Shot of ACTION suddenly appearing behind BUYER*

ACTION                    Was it cool how I just slipped away?

ENDCARD  
Action Achtzehn!
